**Subject:** DTSC News Feed

DTSC News Feed is a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the California Department of Toxic Substances Control (DTSC).

## November 19, 2015

- DTSC is working with a school district on a plan for the cleanup at a proposed [middle school site](#) at the China Lake Naval Air Weapons Stations near Ridgecrest.
- The next [Exide Technologies Advisory Group](#) meeting is scheduled from 6 to 8 p.m. on Dec. 3 in the City of Commerce.
- Don't forget to follow DTSC and other CalEPA agencies on [Instagram](#) to see the work they are performing throughout the state!

Archived versions of DTSC News Feed can be found on the department [website](#).

If you would like to receive DTSC News Feed, a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the State Department of Toxic Substances Control, please [subscribe here](#).
